Dear Melanie and Claire

We would like to thank you for the invitation to celebrate the opening of your new branch in Ashford High Street on Saturday.

We both enjoyed the event very much and you had worked hard to make the occasion fun and informal. It was a great pleasure to meet you both and the members of the team who will be working there. Thank you also for the hospitality, which was much appreciated.

We hope that your third branch is a great success and we look forward to your presence in the town centre for many years to come.

With best wishes

Geraldine and Brian Dyer
